Above & Beyond

"Helping children reach their God-given potential"

Bethlehem Lutheran School has earned an outstanding reputation for academic excellence. We believe all children were created with special and unique gifts, and for over 65 years Bethlehem Lutheran School has gone above and beyond the norms of education to help children reach their God-given potential.

Bethlehem Lutheran School Parent Teacher League is a group of parents that supports BLS in a variety of ways. The purpose of the PTL is to support our school communication between the school and our families, and to involve all families in school functions. The PTL plans activities to promote fun and fellowship and strengthen the relationship between home and school, through educational, developmental and social experiences. The PTL's goal is to enhance the student's learning experience with additional resources including technology purchases, playground equipment, library books, tuition assistance, team uniforms and educational tools that are not in the operating budget.

Bethlehem Lutheran School is a 501(3)c non-profit organization. All proceeds from the Bobcat Boogie will benefit Bethlehem Lutheran.
